

1.4 Upload documents to the newly created project

Preconditions:

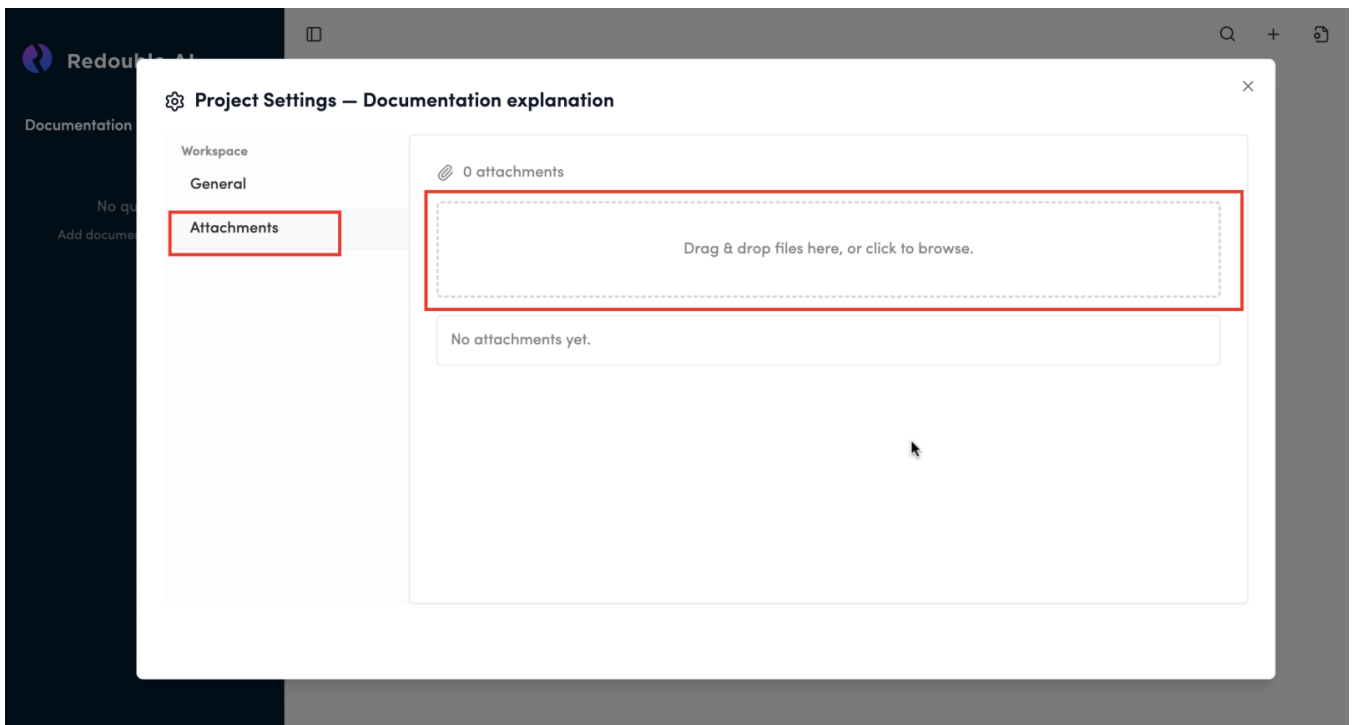

- You are logged into the Redouble AI system
- You have a newly created project with no documents currently attached

Steps:

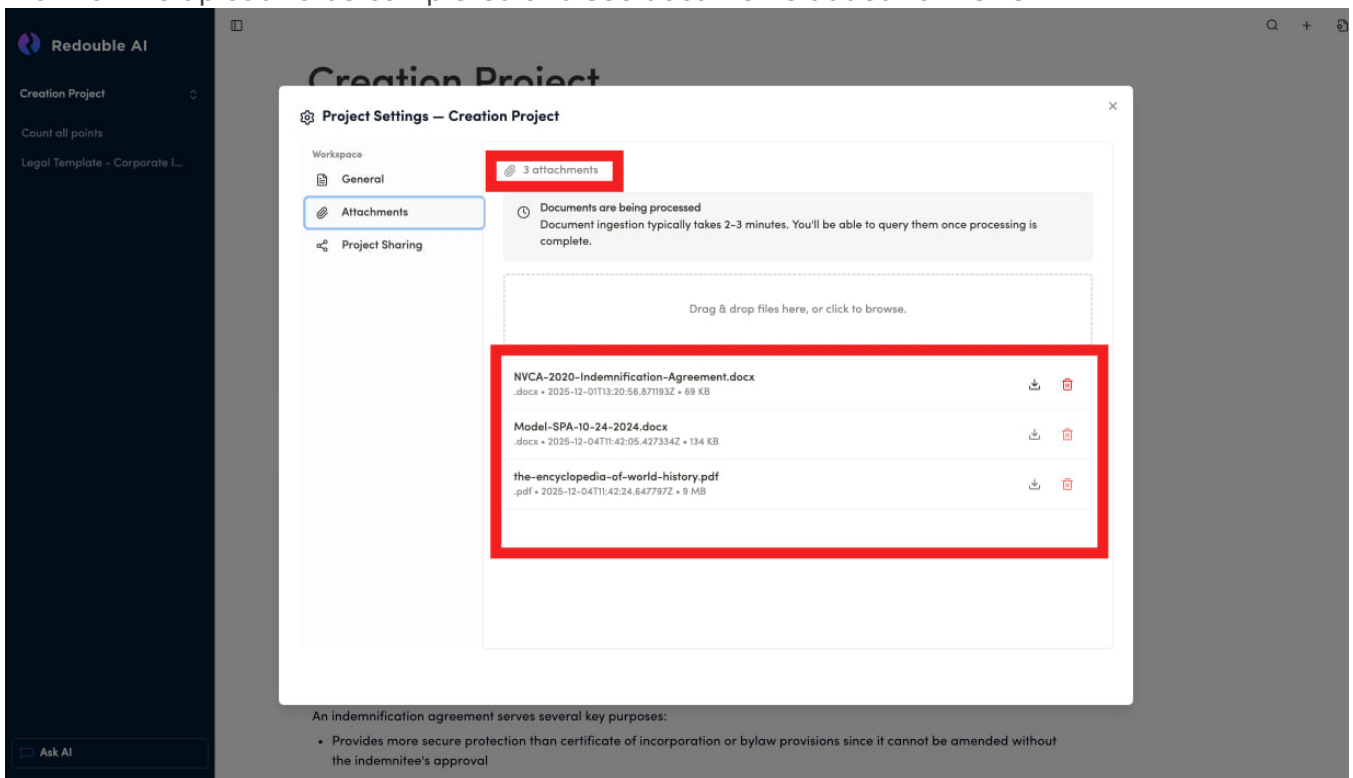

1. Click the "Upload Documents" button

2. In the dialog window, select "Attachments" in the "Workspace" list, click on the field to select files from your computer or drag files and documents directly into the field

3. Wait for the upload to be completed and see documents added to the list

Result: Documents have been successfully attached to the project.

Note: Documents may need 2-3 minutes to ingest.
